WORK EXPERIENCES

Quality Assurance Engineer Intern at SkyDev Solutions Inc. *(February - April 2023)*
- I had an experience as an intern at SkyDev Solutions, Inc., for almost 3 months from February - April 2023 as a Software Quality Assurance Engineer where part of my duties are reviewing and analyzing software requirements to ensure they are complete, accurate, and testable. As an Intern, I was supervised and mentored by experienced QA Engineer, who would provide guidance and feedback in my work. On my three-month internships, I gained valuable experiences and developed a foundation in Quality Assurance

Graphics and Video Editor Intern at PNP, Police Station 1 *(June - July 2022)*
- During my OJT at PNP Station 1, Olongapo as Video Editor and Graphics Designer, my duties and responsibilities are creation of video and graphics content, social media platforms, designing and producing assets such as illustration, logos, infographics, creating video content such as AVP and social media snippets.

OJT at Imprenta Graphics *(December 2018 - January 2019)*
- In my OJT experience as Graphics Designer at Imprenta Graphics, my duties and responsibilities are creation of graphics content such as tarpaulin layout, printing and creating logos. I am also a Technical Support using Microsoft Office.
